

NEW Door Canopy & Railings Range

ariel® **LIGHTLINE**®

Canopies & Railings

The extensive range of cost effective, maintenance free canopies and railings, manufactured using Stainless Steel and Acrylic, has been designed to add individuality and elegance to any home or business.

Available in a range of styles and colours and with optional extras, there is a canopy or railing to suit all architectural styles. The acrylic and stainless steel features combine stylish and professional design finishes with functionality and durability.

Available in: Clear, Frosted White, Frosted Blue & Frosted Green

Door Canopy

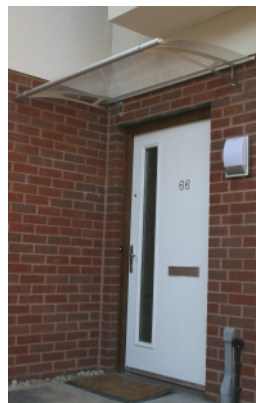

The door canopy range is offered in standard sizes:

1500, 1900 and 2700mm x 950mm projections.

1500mm is the standard single door size.

1900mm is the standard size for French or sliding patio doors.

2700mm is used above windows instead of traditional awnings, and is suitable for use on shops, commercial buildings, or as a domestic walkway or patio canopy.
